To Whom it May Concern

I have been working with Miss Heather Morren, in her Grade two class at E.E. Oliver Elementry School in Fairview, Alberta, since October of 2011.

She is very well organized, very observant of her students and handles any misshaps or confrontations with ease.

Miss Morren is soft spoken but speaks very clearly. With her bubbly and cheerful personality, it is a pleasure to be in her class room. She is very caring, polite and has great concern for everyone.

Sincerly
